25X1X

The ANKLAM (N 54/U 99) airfield was not occupied by the Soviet Air Force. The landing field was serviceable but there was no runway. The field was being cleared of the debris. The roads on the field were in fair condition except for some spots where they had been torn up to lay cables.

25X1A

Comment:

25X1X

a. There are no indications of an intended occupation by an air unit.

b. The photographs are transmitted in the original only since they give no essential information. The attached sketch is fairly correct.

- 2 Annexes: 1. ANKLAM Airfield
2. Photographs taken at the ANKLAM Airfield
